Our New Website

Have you noticed our new website? We have a new design and we are slowly updating all our pages with information and photos. Do have a look if you haven't already seen it.

The Peace Garden

You will have seen our Peace Garden in the playground developing over the last few months. I am delighted to tell you that, apart from some soil and plants for the raised flower beds, we are almost finished. So, I would like to invite you to the opening and blessing of the Garden on **Friday 25th January**.

The Rev. Nigel Tuffnell has agreed to come and officially open and bless the garden and we are hoping that some of our new MAT colleagues will be able to join us too. We are aiming to get all the children and as many guests as we can around the garden for a **2.30pm** start and then our lovely FODS will be serving tea and biscuits in the hall. Please join us if you can and fingers crossed for a dry day!

PARKING!

I have moved this section down the page because I really don't want to have to keep writing about this in every newsletter, I hope not to write about it again. However, I was astonished to hear that a parent from our school had parked on Millers Drive one morning in such a way that they had blocked the emergency vehicles access for 5 houses. One resident had to reverse their people carrier car around a non-resident parked car and ended up driving into a large hedge. Millers Drive is not a car park and we have never suggested this as a solution to the parking in the village. If you feel strongly that the village is not best served with parking, then you must write to the relevant authorities.

Polite reminders

- ✚ Please remember to return all **lunch slips** by Friday.
- ✚ Monday 21st January After school clubs begin.
- ✚ Celebration assemblies begin again on Friday 1st February

Attendance

Very well done to all of the children who received their 100% attendance pencil last week. The number was down on last half term, but still great to see that 107 pupils were in school every day, last half term. Many thanks to you parents for supporting us with this.

Also, A big well done to Class 4 who won the Class Attendance Trophy with an amazing 99%
Actually, Year 4 are on a roll at the moment as they also won the Sportshall Athletics trophy last week, which now puts them into the next round. A fantastic achievement!

Severe Weather

It is getting to that time of the year again when the weather could turn very snowy. Remember last year? Should the school need to close due to dangerous travelling conditions, I will post this on our school Facebook page, the Norfolk Schools web page and it will be announced on local radio stations.
