

SEND Information Report for Dickleburgh C of E Primary Academy 2019-20

Part of the Norfolk Local Offer for Learners with SEND

Introduction

Welcome to our SEND information report which is part of the Norfolk Local Offer for learners with Special Educational Needs and disabilities (SEND.)

At Dickleburgh C of E Primary Academy we are committed to working together with all members of our Academy community. This local offer has been produced with pupils, parents/carers, governors, and members of staff. We would welcome your feedback and future involvement in the review of our offer, so please do contact us. The best people to contact this year are:

Mrs Moira Croskell Headteacher
Mrs Pippa Delaine SENDCO
Mrs Sandy Clark SEND Governor
Mrs Sarah Atkins Parent Governor

If you have specific questions about the Norfolk Local Offer, please look at the Norfolk County Council special educational needs and disabilities web site:

<https://www.norfolk.gov.uk/children-and-families/send-local-offer>

Alternatively, if you think your child may have SEND please speak to his/her Class Teacher or contact our SENDCO on 01379 740080

Our Approach to Teaching Learners with SEND

At Dickleburgh C of E Primary Academy we believe in participation for all. We want all adults and children to participate in learning and we celebrate all members of our community. We want to create an inclusive culture in our Academy and we aim to be responsive to the diversity of children's backgrounds, interests, experience, knowledge and skills.

We value high quality teaching for all learners and actively monitor teaching and learning in the Academy.

We aim to create a learning environment which is flexible enough to meet the needs of all members of our Academy community. We monitor progress of all learners, staff continually assess ensuring that learning is taking place. Our whole Academy system for monitoring progress includes regular pupil progress meetings, and staff engage in coaching and supervision.

At Dickleburgh C of E Primary Academy, we value **learning for all**.

How we identify SEND

At different times in their Academy career, a child or young person may have a special educational need. The Code of Practice defines SEND as:

“A child or young person has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for them. A child of compulsory Academy age or a young person has a learning difficulty or disability if they:

(a) have a significantly greater difficulty in learning than the majority of others of the same age: or (b) have a disability which prevents or hinders them from making use of educational facilities of a kind generally provided for others of the same age in mainstream Academies or mainstream post-16 institutions.”

If a learner is identified as having SEND, we will provide educational opportunities that are ‘additional to or different from’ the normal differentiated curriculum, intended to overcome the barrier to their learning.

Learners can fall behind in the Academy for lots of reasons. They may have been absent from the Academy, they may have attended lots of different Academies and not had a consistent opportunity to learn. They may not speak English very well or at all, they may be worried about different things that distracts them from learning. At Dickleburgh C of E Primary Academy we are committed to ensuring that all learners have access to learning opportunities, and for those who are at risk of not learning, we will intervene. This does not mean that all vulnerable learners have SEND. Only those with a learning difficulty that requires special educational provision will be identified as having SEND.

Our SEND profile for 2019/20 shows that we have 8 children identified as having SEND.

2 of those have an Education, Health and Care Plan.

3 of the children are identified as having SEND linked to Cognition and Learning

6 are linked to Communication and Interaction

1 is linked to Physical and Sensory

Assessing SEND

Class Teachers, support staff, parents/carers and the learner themselves will be the first to notice a difficulty with learning. At Dickleburgh C of E Primary Academy we ensure that assessment of educational needs, directly involves the learner, their parents/carers and of course their Teacher. The Special Educational Needs and Disabilities Co-ordinator (SENDCO) will also support with the identification of barriers to learning. We have a range of assessment tools available within Academy.

For some learners we may want to seek advice from specialist teams. In our Academy we have access to various specialist services that may have to be commissioned from our Academy budget. We have access to services universally provided by Norfolk County Council, which are described below:

The agencies used by the Academy include:

ASD specialist support assistant team,

We have limited access to a cluster Educational Psychologist CAMHS (Child & Adolescent Mental Health Service)

Attendance Officers

ATT, Access through technology services. (Profession or medical referral only)

Virtual Academy for Sensory support, to support pupils with hearing/visual Impairment

Children's Therapy Team (Speech & Language/Occupational/physiotherapy therapy)

We also employ 3 FTE Learning Support Assistants who deliver the interventions in the provision map as co-ordinated by our SENDCO. These include interventions for Speech and Language, Maths, and Phonics ad Spelling.

What we do to support Learners with SEND

Every teacher is required to adapt the curriculum to ensure access to learning for all children in their class. The Teachers' Standards 2012 detail the expectations on all teachers, and we at Dickleburgh C of E Primary Academy are proud of our teachers and their development. The Teachers' Standards are at

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/665520/Teachers_Standards.pdf

Our teachers use various strategies to adapt access to the curriculum, this might include using:

- Visual timetables
- Writing frames
- I-pads, laptops or other alternative recording devices
- Peer buddy systems
- Positive behaviour rewards system

Each learner identified as having SEND is entitled to support that is 'additional to or different from' a normal differentiated curriculum. The type of support is dependent on the pupil's learning needs and is intended to enable access to learning and overcome the barrier to learning identified. This support is described on a provision map which, although it does not detail the individual learners' names, describes the interventions and actions that we undertake at Dickleburgh C of E Primary Academy to support learners with SEND across the year groups. We modify the provision map regularly, and it changes every year, as our learners and their needs change.

At Dickleburgh C of E Primary Academy we share the provision map with our colleagues in the Diss cluster so we can learn from each other, and demonstrate what we offer for learners with SEND. We are also able to promote consistent practice across all the Academies/ Schools in our cluster ensuring equality of opportunity.

Our provision map is shared with our Local Governing Body who hold the Academy to account in ensuring that we monitor the impact of these interventions on learning across the Academy.

Funding for SEND

Dickleburgh C of E Primary Academy receives funding directly to the Academy from the Local Authority to support the needs of learners with SEND. This is described in a SEND memorandum. The amount of funding we received for 2018-19 was a pro-rata budget of £7,416 with a High Needs Top-Up Fund of £1,150

Our budget for 2019-2020 is £44.015 with a High Needs Top-Up of £10, 112

The Diss cluster of Academies/ Schools also receive funding from the Local Authority which is distributed as 'top up' funding for learners who require support that exceeds that available to the Academy. The Diss cluster funding has now ceased.

Access to this funding is via a professional SEND panel made up of representatives from Academies / Schools within our cluster.

The Diss Cluster of Academies / Schools are committed to working together to improve learning for all, and we are able to share resources, training and moderate provision for learners with SEND. If you would like any further information on SEND in the Diss Cluster please contact our Interim Cluster Lead co-ordinator: nrawcliffe@burston.norfolk.sch.uk

How do we Find Out if this Support is Effective?

Monitoring progress is an integral part of teaching and leadership within Dickleburgh C of E Primary Academy. Parents/carers, pupils and staff are involved in reviewing the impact of interventions for learners with SEND. We follow the 'assess, plan, do, review' model and ensure that parents/carers and children are involved in each step. Before any additional provision is selected to help a child, the SENDCO, Teacher, parent/carer and learner, agree what they expect to be different following this intervention. A baseline will also be recorded, which can be used to compare the impact of the provision.

Children, Parents/carers and their Teaching and Support Staff will be directly involved in reviewing progress. This review can be built in to the intervention itself, or it can be a formal meeting held, where we all discuss progress and next steps. If a learner has a Statement of Special Educational Need or an Education Health and Care Plan (EHC plan) the same review procedures take place, but the Statement or EHC plan will also be formally reviewed annually.

The SENDCO collates the impact data of interventions, to ensure that we are only using interventions that work.

Progress data of all learners is collated by the whole Academy and monitored by Teachers, Senior Leaders and Governors. Our academy data is also monitored by the St. Benet's Trust, the Local Authority and Ofsted.

Other Opportunities for Learning

All learners should have the same opportunity to access extra-curricular activities. At Dickleburgh C of E Primary Academy in 2019-20 we are offering a range of additional clubs and activities.

These can be found on our academy web page or by contacting our Academy Office.

We are committed to making reasonable adjustments to ensure participation for all, so please contact our Head teacher or SENDCO to discuss specific requirements.

All staff at Dickleburgh C of E Primary Academy work within the Equality Act 2010. This legislation places specific duties on Academies / Schools, settings and providers including the duty not to discriminate, harass or victimise a child or adult linked to a protected characteristic defined in the Equality Act and to make 'reasonable adjustments.'

The Equality Act 2010 definition of disability is:

"A person has a disability for the purposes of this Act if (s)he has a physical or mental impairment which has a substantial and long-term adverse effect on his ability to carry out normal day-to day activities." Section 1(1) Disability Discrimination Act 1995

This definition of disability in the Equality Act includes children with long-term health conditions such as asthma, diabetes, epilepsy, and cancer. Children and young people with such conditions do not necessarily have SEND, but there is a significant overlap between disabled children and young people and those with SEND. Children and young people may therefore be covered by both SEND and disability legislation.

For more information about the Equality Act, the protected characteristics or duties on public bodies, please follow this link

<https://www.gov.uk/equality-act-2010-guidance>

Preparing for the next step

Transition is a part of life for all learners. This can be transition to a new class in the academy, having a new teacher, or moving on to another academy, training provider or moving in to employment. Dickleburgh C of E Primary Academy is committed to working in partnership with children, families and other providers to ensure positive transitions occur.

Planning for transition is a part of our provision for all learners with SEND. Moving classes will be discussed with the parents and child at their summer term review meeting. Transition to a secondary academy for children with statements of EHC will be discussed in the summer term of their Year 5, to ensure time for planning and preparation.

Have your say

Dickleburgh C of E Primary Academy is part of the community. We can shape and develop provision for all of our learners ensuring achievement for all. This SEND report declares our annual offer to learners with SEND, but to be effective it needs the views of all parents/carers, learners, governors and staff. So please engage with our annual process to 'assess plan, do and review' provision for SEND.
